

The Woodson Project Presents: The Different Types of Engineering

Cut out these cards and match the type of engineering with the types of things these engineers work on!

Bonus: Research the names of people at the bottom to see which type of engineering they practice currently or practiced in the past.

Extra bonus: Look around the city for examples of each type of engineering. **For ages 9-12.**

<p>Aerospace Engineering</p>	
<p>Mechanical Engineering</p>	
<p>Electrical Engineering</p>	
<p>Civil Engineering</p>	

Bonus: Yvonne Young Clark • Mae Jemison • Hattie Scott Peterson • André Rebouças • Lonnie Johnson • Elijah McCoy • Jerry Lawson • Granville Woods
